

SUMMARY

I'm a curious designer who learns by getting into the work, playing with ideas, and seeing what hits. I care more about understanding what I'm doing than rushing to make it perfect. I bring instinct, energy, and raw creativity to every project. I'm looking for a team that pushes ideas, respects growth, and gives space to experiment.

EXPERIENCE

Junior Graphic Designer

Scout Collective

Sept 2024 - Present

- Designed production-ready graphics and social media visuals aligned with campaign goals
- Built moodboards and visual concepts to guide creative direction
- Focused on understanding project needs before execution to improve design clarity
- Collaborated with teammates to refine design ideas through feedback and iteration

Graphic Design Intern

Hartford Foundation

May 2024 - Sept 2024

- Collaborate on high-impact design projects to enhance brand visibility and engagement
- Utilize Adobe Creative Suite to create compelling visuals tailored to diverse audiences
- Support digital marketing efforts to strengthen online presence and audience outreach

Creative Team Support

Luke Pepper Creative LLC

Nov 2023 - April 2024

- Led projects from conception to final print, ensuring high-quality designs for multiple pieces per project
- Utilized Adobe Creative Suite and SONY cameras to improve video quality by 20%
- Managed file archiving and ensured all digital assets were organized by brand and document type

Freelance Designer

FourteenG Marketing

Nov 2023 - April 2024

- Designed the official logo for North Hartford Ascend Pipeline, boosting local recognition
- Created print-ready materials for mail campaigns, balancing clarity and brand consistency
- Collaborated closely with agency teams to align design output with project goals
